

PROMINENT ODD FELLOW SAVED FROM CATARRH, CURED BY PE-RU-NA.

Mr. George Parrott.
Member of the Noble Grand Lodge, No. 135, Independent Order Odd Fellows, Glencoe, Ontario.

A Neglected Cough—Dangerous Catarrh Followed

"I have been using Peruna for some time for a cough and catarrh of the throat with very satisfactory results.
"Having neglected the cough, catarrh developed, and my physicians said I was threatened with catarrh of the stomach. My breath was very offensive, and I was troubled with nausea.
"Less than two bottles of Peruna cured me."—MR. GEORGE PARROTT.

Had Dyspepsia 25 Years.

Mr. Sidney Wessels, Merrittton, Ont., Canada, writes:
"I have been troubled with dyspepsia and indigestion for twenty years, during which time I tried different doctors. I have been compelled for weeks at a time to give up work, being completely prostrated. I had to confine myself to a milk diet, as nothing would remain on my stomach.
"I had about given up, thinking my case incurable, when I heard of Peruna and decided to try it. One bottle made a great change, and after us-

ing another bottle of this wonderful medicine I had complete freedom from pain, my appetite had returned and I could enjoy my meals.
"I believe Peruna is the greatest medicine under the sun. Today I weigh over 225 pounds. Is it any wonder that I praise Peruna?"

Says Peruna Entirely Relieved.
Mr. Emile Marois, 1879 Ontario St., Montreal, Canada, writes:
"After taking nine bottles of Peruna, I find that I am cured. I still take it occasionally. For me it is the best medicine in the world. I have recommended it to a number of persons."

PASTOR SCORES TRADE SCHOOLS

Rev. Gtlemann Declares Country is Going Daffy Over Technical Training.

UTICA, N. Y., Dec. 3.—On an address at the dedication of the Thomas Proctor library at Richfield Springs today, Rev. Dr. Charles Alexander Richmond, president of Union College, protested against the growing tendency of trade schools.
"The educators of the country are going mad over the subject of trade schools and technical training," he said. "Colonel Roosevelt, in one of his western speeches, said every college student should be taught a trade. I suppose he had in mind that in the case of some, a good carpenter or a good farmer had been spoiled in a good preacher or a brilliant barrister, but you might just as well demand that every farmer should be taught Greek."

ENGINEERS MAY STRIKE.

Cleveland, O., Dec. 3.—Warren S. Stone, grand chief of the Brotherhood of Locomotive Engineers, today said that 90 per cent of the votes now being cast by the engineers on the western railroads would favor a strike unless the managers meet their demands for a 15 per cent wage increase.

ORGANIZED GANG ROBBING BANKS

Systematic Work of Safe-crackers Baffles Police of Kansas and Nebraska.

KANSAS CITY, Dec. 3.—Two gangs of bank robbers who have successfully blown money vaults in Northern Kansas and southern Nebraska and then in automobiles eluded to officers, seem to have been responsible for blowing safe early today at Inavale, Nebraska, and Hanover, Kansas.
While the gang was working along the Nebraska-Kansas line, another attempt was made to rob the Stark State bank at Stark, a mining camp in southeastern Kansas. At this place the safe blowers were frightened away after having placed a charge of dynamite in the vault door.
At Hanover, a motor car carrying five passengers were seen early today and within thirty minutes the vault of the Stark State bank there had been robbed of \$2,500.
A car carrying officers is in pursuit.
During the last few months, the banks of several small towns around Hastings, Nebraska, have been robbed and in nearly every case the robbers have escaped in automobiles.

ALASKAN INDIANS SLAY SIX TRAPPERS

Extermination of Game Drives Mount McKinley Redskins to Kill Whites.

FAIRBANKS, Alaska, Dec. 3.—Indians in the Mount McKinley district 125 miles from Fairbanks, are reported to have killed six white trappers. The information was brought here by John McLeod, a trapper of good reputation, who brought only rumors, however. The Indians are said to have been starving because of the extermination of game.

RAILWAY MAGNATE LAUDS SOUTHWEST

B. F. Yoakum Declares in West They Deal in Real Things, Not in Possibilities.

NEW YORK, Dec. 2.—"There seems to be little but stock ticker prosperity in New York, but there is a good deal of real prosperity in the southwest," said B. F. Yoakum, chairman of the board of directors of the St. Louis and San Francisco Railway company, today on his return from an inspection trip over the "Pecos" lines.
"After crossing the Mississippi river one rarely hears the New York stock market referred to," continued Mr. Yoakum, "because trading in securities is not the business of the west, and securities listed on the stock exchange are not the collateral required or generally used by the bankers there. The west is busy with their work and care little about the stock market."

SEATTLE, Dec. 3.—First Officer T. Chieftain of the Great Northern liner Minnesota was arrested by custom inspectors today on a charge of smuggling opium. He was caught in the act of passing opium ashore.
Chieftain is said to have admitted his guilt and made a pitiful plea for mercy.

BOMB WRECKS STORE.

NEW YORK, Dec. 3.—The explosion of a bomb early today wrecked the fruit store of Queno Brothers on Tenth avenue and created a panic among the guests of the Elwood hotel and the Fulton hotel adjoining, everybody in both buildings rushing to the street.
The proprietors of the store in front of which the bomb was placed deny having received "Black Hand" threats and the motive behind the outrage is a mystery.
There were no casualties.

YOUTH PREDICTS HIS OWN DEATH

Had Presentiment He Would Not Live to Celebrate Seventeenth Birthday.

New York Lad Killed Few Days Before He Reached That Age.

NEW YORK, Dec. 3.—For the reason that both his brother and his sister died just as he was approaching the age of 17, John Smythe, a young resident of the Upper East Side, had frequently expressed a fear that he would never live to celebrate his own seventeenth birthday. He was nearing what he considered his crucial age when today he fell eight stories through the elevator shaft of a new building at Broadway and Ninety-second street and died as the last rites of the church were being administered to him.

TAKE CARE!

Remember that when your kidneys are affected, your life is in danger. M. Mayer, Rochester, N. Y., says: "My trouble started with a sharp shooting pain over my back, which grew worse daily. I felt sluggish and tired, my kidney action was irregular and infrequent. I started using Foley Kidney Pills. Each dose seemed to put new life and strength into me, and now I am completely cured and feel better and stronger than for years. Badon's Pharmacy. A. R. McIntyre, Prop."

GOULD ROAD ENGAGES TEN LAWYERS IN A SENSATIONAL SUIT

NEW YORK, Dec. 3.—Arguments will be begun before Judge Lacombe in the United States circuit court Dec. 2 on the application of the Colonist Trust company of Pittsburgh for an injunction against the so-called Wallace committee of the bondholders of the Wallace-Pittsburgh Terminal Railway company. An order restraining the committee from making any further use of \$400,000 of bonds belonging to the trust company is the specific issue, but the fight is in reality the opening of long pending litigation growing out of the receiverships into which the Pittsburgh Terminal and the Wheeling and Lake Erie railroads were thrown two years ago. Five lawsuits altogether have been begun or are in contemplation as a result of these receiverships, including one attacking the Pittsburgh-Toledo syndicate which financed the Wallace-Pittsburgh Terminal. George J. Gould, Joseph Ramsey, Jr., former Governor Myron T. Herrick of Ohio and James Hazen Hyde, the surviving managers of the syndicate, are the defendants in it, and the attack upon them promises to be especially vigorous. Sensational developments concerning the way in which the Wallace-Pittsburgh picture movement upon the Pittsburgh district was generally looked for, and there have been intimations of personal actions against the well known men involved. Francis L. Stetson, the general counsel for the Gould roads, has engaged nine leading attorneys to help him in the legal end of the fight.

WARSHIPS ON WAY TO QUELL UPRISING

Chinese and Italian Battleships Speeding for Macao to Protect Interests.

HONG KONG, Dec. 3.—The authorities at Peking today ordered a Chinese fleet to Macao, where there recently was a revolt in the Portuguese army and navy, forcing the government to make certain concessions, including the driving out of the religious orders. The Italian cruiser Calabria has also gone thither to protect the Italian interests.

COMMISSION CONFERRING WITH THE REBELS

(Continued from Page One.)

of rumor which forms the gossip of the streets and of the clubs.
Rebels Gaining Strength.
Every mining and business man agree on certain points—that the revolutionists are gaining in strength, that they are well officered, that they treat foreigners with the greatest respect, and that they have plenty of money. Business, they add, has been greatly depressed by the uneasiness and excitement of the laborers.

A story typical of the situation comes from Minia. From that point a store owned by a German named Jungk was entered by revolutionists recently. The next day a leader of the insurgents appeared with a list of the goods confiscated. It tallied exactly with one made up by the storekeeper. The insurgents produced a large roll of money, from which he said the usual price of the goods. He then insisted on paying for the broken locks, explaining that he and his comrades had plenty of money.
Professor as Rebel Leader.
The revolutionists are by no means solely of the peon class. In fact the small ranch owner said to the largely reported. The insurgent commandant at San Andreas is Francisco Valdez y Vasquez, a chemist and assayer of this city, who is also the author of a book on assaying. The usual trains move on the railroad. They are scrutinized at various stations, but otherwise are unmolested.

El Paso, Texas, Dec. 3.—J. E. Farrington of Battle Creek, Michigan, and Dora Benson of Detroit, arriving here this morning from Madera and Temascal, in Chihuahua, declare that every town in that region is in insurgent hands, with the exception of Temascal, and that insurgents were marching on that town. They say that their train was inspected several times en route to Chihuahua from Madera by rebels and that nobody was molested. The rebels said they were looking for Mexican soldiers only.

Confirmation is heard of the report that the Mexican government is attempting to get the rebels to surrender without fighting and that Mexican officers are being sent out to talk with them, tendering the revolutionists official standing.

BATTLE CONFIRMED.

Chihuahua, Mex., Dec. 2 (via El Paso, Dec. 3).—Reports of the battle of Padernales, Tuesday, are confirmed.
Some of the Mexican regulars taken prisoner went over to the rebels. The Mexican soldiers in the fight were those who left the train at San Andreas, on Sept. 22, when the train was attacked. They had been living in the country and hunger drove them to Padernales, where the fight occurred.

The revolutionists are not all peons, but many ranchers are in the number and it is thought that the revolutionary commandant at San Andreas was Francisco Valdez y Vasquez, an assayer of Chihuahua.
Governor Jose Maria Sanchez expects further active fighting in Chihuahua state.

PEACE COMMISSION DEPARTS.

Chihuahua, Mex., Dec. 2 (via El Paso, Dec. 3).—A special train bearing a peace commission of four members, appointed by President Diaz, left here tonight with a flag of truce flying from the engine. The commissioners go to discuss with the revolutionists the present disturbances to an end. The letter from the President was received today naming the following as commissioners:
Judge Jos. M. Dandera, Dr. Garcia Cardenas and Senor Amador and Santiago prominent citizens of this city. The news of the appointment of a commission caused considerable surprise as it is said to be the first time in thirty years that the government has thus treated with insurgents.

The commissioners, among other things, will endeavor to ascertain just what grievances afflict the revolutionists. Terms of peace will be discussed and reported made to the national capital. The insurgents will be given to understand that if they persist in bearing arms against the government they will be given a lesson which will leave the state of Chihuahua in peace for many years.

The departure of the commission had no effect on the military preparations.
While waiting for reinforcements, the local troops have been thoroughly inspected and the work of gathering supplies for a campaign proceeds daily.

Water must be carried over much of the route. Scouts are in the hills daily. Occasionally they catch sight of small scouting parties of the enemy, but there has been no fighting since Tuesday at Padernales.

Forty of the government troops who were in that fight and who escaped are reported as entering this city by a circuitous route to avoid the insurgents.
Two troops of the government forces from Sonora, marching in the direction of Guerrero, which is now held by Saltillo regulars, were reported at Saltillo today. They still have about ten days' marching ahead of them, providing they do not encounter the revolutionists before reaching their destination.

Heavy patrols are marching through the streets here. It is largely a precaution against an uprising of revolutionary sympathizers within the city. There is no doubt that should the insurgents now in the mountains succeed in gaining the city they would find many ready to join them.

GHASTLY REVENGE FOR BROKEN LOVE

Sweetheart Breaks Engagement, Woos Slashes Her With Razor.
Girl Will Probably Die, as Will Texan Who Committed the Dastardly Deed.

HOUSTON, Texas, Dec. 3.—Miss Bertha Woodworth, daughter of W. W. Woodworth, a prominent member of the Texas Oil company, was attacked by B. H. Shaffer at her home early today and, it is believed, received fatal wounds. Shaffer used a razor and afterward slashed himself, probably fatally. It is reported that the couple had been engaged to be married, but Miss Woodworth had recently broken the engagement.
The young woman and her mother were startled by the sudden appearance of Shaffer with a razor in his hand. He calmly announced he had come to kill Miss Woodworth. The woman fled to the second-story porch, Shaffer pursuing her. On the edge, Miss Woodworth leaped to the ground, Shaffer following her and slashing her throat.
